

29.9.2020

Zoom in the browser

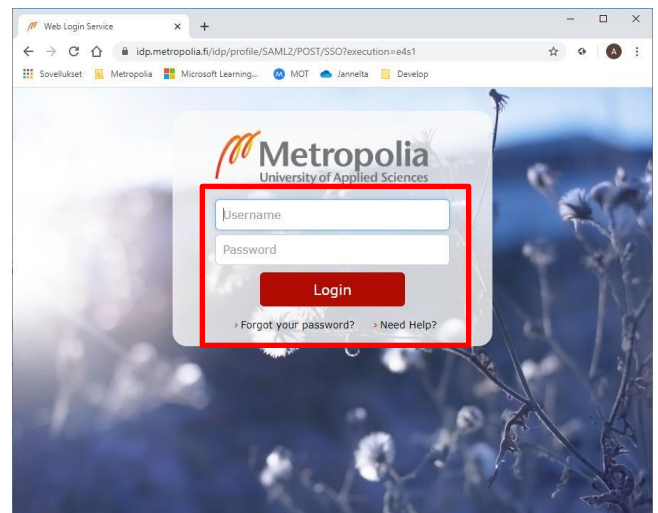

1. **Open** any browser, for example Chrome, Firefox or Edge and write in the address bar **metropolia.zoom.us**

2. Click **"Sing In"**.

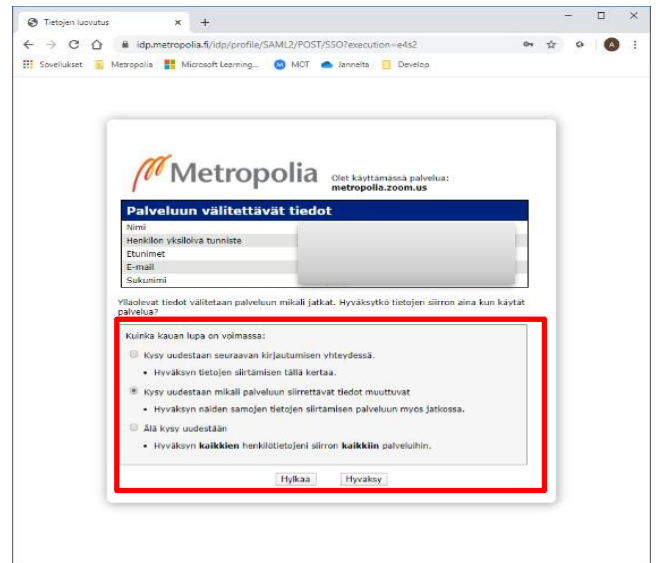

3. A browser window pops up, where you should enter your **Metropolia username** and **password**.

19.1.2020

5. For the first time using the service, permission is being asked to share user information. You'll need to accept the **shared user information** in order to use Zoom. Select the option that suits for you and click Accept or Hyväksy in Finnish

4. Zoom opens in your **profile** window, where you can see your information
