## 3AMK Summer School for Master's Students

### Schedule:

- Application period: 8 February till 10 March
- Letter of acceptance/ rejection: 31 March at latest
- Intensive week online: 16 August – 20 August

3AMK Summer School is an intensive course for Master's degree students. The topic of 3AMK Summer School is "Leadership Skills for a Changing World". In 2021, we will focus on the following sub-topics: inclusive leadership through collaborative practices, leading the learning organization, and creating a resilient organisation.

The 3AMK Summer School consists of the participation to the intensive week and assignments before and after the intensive week. The program features short talks by university faculty members and practitioners as well as workshops and other collaborative activities to engage with the theme's topics. The extent of the course is 5 ECTS.

The course is organised online. During the course, we will work in teams so the students are expected to be committed to teamwork. The summer school is executed in English.
