

MAIO - Get Installed Apps

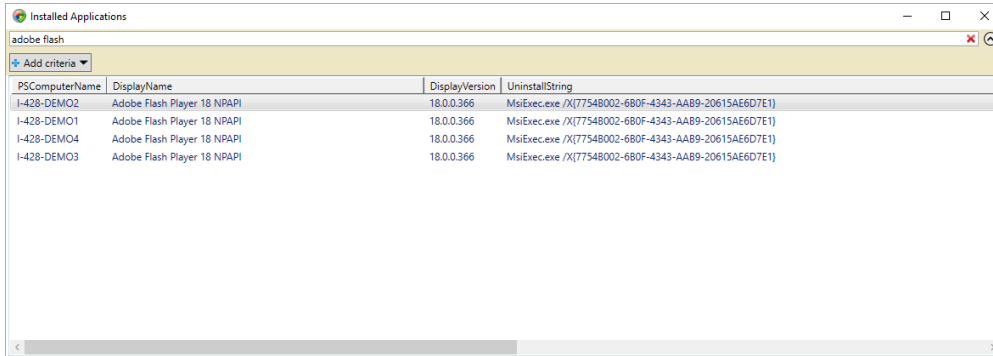

MAIO - Get Installed Apps

Toiminto kerää kohdekoneilla olevat asennetut ohjelmat.

Kun kohdekoneet on valittu ja varmistettu, valitaan Get Installed Apps -vaihtoehto ja painetaan lopuksi Run Action -nappia.

I-428-DEMO1: Collecting installed application information. Duration depends on the number of apps installed. Please wait.
I-428-DEMO2: Collecting installed application information. Duration depends on the number of apps installed. Please wait.
I-428-DEMO3: Collecting installed application information. Duration depends on the number of apps installed. Please wait.
I-428-DEMO4: Collecting installed application information. Duration depends on the number of apps installed. Please wait.
Get Apps -action has been finished.

Ohjelma näyttää kohdekoneilla olevat ohjelmat uudessa ikkunassa. Ikkunan yläreunassa on hakulaatikko, jonka perusteella ohjelmia voi suodattaa/etsiä.

The screenshot shows a window titled "Installed Applications" with a search bar containing "adobe flash". Below the search bar is a table with the following data:

PSComputerName	DisplayName	DisplayVersion	UninstallString
I-428-DEMO2	Adobe Flash Player 18 NPAPI	18.0.0.366	MsiExec.exe /X{77548002-680F-4343-AA89-20615AE6D7E1}
I-428-DEMO1	Adobe Flash Player 18 NPAPI	18.0.0.366	MsiExec.exe /X{77548002-680F-4343-AA89-20615AE6D7E1}
I-428-DEMO4	Adobe Flash Player 18 NPAPI	18.0.0.366	MsiExec.exe /X{77548002-680F-4343-AA89-20615AE6D7E1}
I-428-DEMO3	Adobe Flash Player 18 NPAPI	18.0.0.366	MsiExec.exe /X{77548002-680F-4343-AA89-20615AE6D7E1}

Ikkunan voi sulkea lopuksi oikeasta ylänurkasta.
