Outages in use on Metropolia´s IT systems on Friday, February 15 beginning from 3:00 pm

We have urgent maintenance work of backbone on Friday, February 15 beginning from 3:00 pm.

Due to maintenance work there are long outages on data communication connections. During outages Metropolia´s IT systems are inaccessible both on campuses and on the internet.

We suppose the maintenance work is finished by 5:00 pm.
