

Username in three forms – which one to choose?

Three ways to use the same user account

The students and staff in Metropolia can log in with the same user account almost without exceptions. In spite the user account is the same, you have to choose the right form for your username. It depends on the Service that you are attempting to log in.

Before logging in to the Cloud Services, please remember to accept the Cloud Service Terms and wait for 2 to 4 hours first according to the [instructions](#).

Service	Form for username	Example
Metropolia's internal services (for example my.metropolia.fi, itservices.metropolia.fi, elomake.metropolia.fi)	username	xampjo
Email (mail.metropolia.fi)	username	xampjo
Wireless LAN metropolia-guest	username	xampjo
Cloud services (Google or Microsoft)	username@metropolia.fi	xampjo@metropolia.fi (Note: NOT your email address)
Wireless LAN eduroam	username@metropolia.fi	xampjo@metropolia.fi (Note: NOT your email address)
Adobe Creative Cloud	Your email address (firstname.lastname@metropolia.fi)	joe.xample@metropolia.fi
HAKA Login to universal service of universities	HAKA username (the same as your Metropolia username)	xampjo
